

Textile Cases

Optronics Engineering Ltd. manufactures and offers Soft Carrying Cases for our products.

The Cases are compatible for MIL-STD. Night Vision Devices.

The Cases are designed for sensitive equipment, to protect against the toughest of field conditions.

Manufactured from water resisting materials, the cases were created for durability as well as comfort purposes.

Our team of engineers is also available for custom made projects as required by our customers.

Our Line of Products includes:

- ❖ Soft Carrying Case for Night Vision Devices (Monocular, Binocular)
- ❖ Soft Carrying Case for Night Vision Sights.
